

SCS WEDNESDAY WIRE | October 27, 2021

A midweek update from the SCS Dean's Office | [FACIAL COVERINGS](#) | [VACCINE DATABASE](#)

NEVER FORGET: TREE OF LIFE

Join today's public, outdoor [Commemorative Ceremony](#) and community gathering, organized by the [10.27 Healing Partnership](#), at 4:30 p.m. in Schenley Park (Prospect Drive) to honor and remember 11 lives taken, six people injured and countless lives affected by the Tree of Life mass shooting three years ago.

SCS NEWS

— As scientists laid the foundations of artificial intelligence, [Pamela McCorduck](#) was there. An inquisitive, kind, gracious and open-minded author, she soaked up the beginnings of modern technology through conversations and interactions with the researchers shaping the field. She wrote some of the first novels and histories about AI and was a generous friend of CMU. [Pamela died on October 18 at the age of 80.](#)

— Adam Brodie earned his master's degree in machine learning from SCS in 2016. Now he [explores data for the Houston Astros](#) and oversees the team's analyst group's efforts to create models that help optimize their chances to reclaim their World Series title.

Until next week,
---- Martial
